Decision of the Standing Committee of the Hainan Provincial People's Congress on the Adjustment of Authorized Provincial Administrative Powers to Be Enforced within the Main Industrial Parks, Including Approval Power for the Incorporation of Travel Agencies, to the Main Industrial Park Administrative Agencies of the Hainan Free Trade Port

(Adopted at the 29th Session of the Standing Committee of the 6th Hainan Provincial People's Congress on July 27, 2021)

For the purposes of creating a rule of law, international and convenient business environment, encouraging the development and construction of major parks in the Hainan Free Trade Port, and granting main parks with greater independent development rights, the Standing Committee of the Hainan Provincial People's Congress has decided to authorize 17 provincial administrative powers to be enforced within the main parks to the main industrial park administrative agencies of the Hainan Free Trade Port pursuant to applicable laws and regulations and the Decision of the Standing Committee of the Hainan Provincial People's Congress on the Administrative System of Main Industrial Parks Including Yangpu Economic Development Zone in Hainan Free Trade Port, combined with actual developments in the Hainan Free Trade Port. The provincial administrative power implemented by the people's governments at the city, county, and autonomous county level before the adjustment, shall not be implemented in main industrial parks by such people's governments.

The former implementing agencies shall improve operational training and guidance for main industrial park administrative agencies, improve continuous oversight, and effectively delegate power and improve administration; the main industrial park administrative agencies that perform the administrative power shall be well organized, implement their responsibilities, create effective systems to exercise administrative power, be standardized and orderly, and ensure that they exercise their functions and powers in strict compliance with the law. The former implementing agencies shall promptly evaluate the amended and implemented matters, and continue to improve continuous oversight if they determined feasible in practice; the administrative agencies shall regain the administrative powers pursuant to statutory procedures if the review shows the implementation to be unsatisfactory.

The Decision shall come into force as of the date of issuance.
