七、本决定自公布之日起施行。

in the parks, and they are created as the governmental agencies with legal personality pursuant to law and are responsible for the integrated coordination, development and construction, operation management, industrial development, investment promotion, institutional innovation, and services to entities in the parks.

Pursuant to the principle of streamlining and high efficiency, the statutory agencies independently decide the institutional setup, arrangements of positions, employment, salary standards within the scope of the total payment package, those who are appointed pursuant to law are not subject to this article.

IV. The key parks shall be granted greater authority for independent development. The provincial people's government and its appropriate agencies shall, based on this Decision, devolve or delegate the appropriate provincial management authority to the administrative agencies for the key parks. Specific matters shall be determined by the provincial people's government according to the actual needs of the key industrial parks, except those subject to the decision of the Standing Committee of the Provincial People's Congress pursuant to law.

The people's governments of cities, counties, and autonomous counties and their appropriate agencies where the key industrial parks are located may devolve or delegate the management authority to the administrative agencies at the corresponding level pursuant to this Decision.

V. The people's governments at the local cities, counties, autonomous counties, in principle, are responsible for the public management in key industrial parks, except as otherwise provided by other laws and regulations.

VI. In respect of the devolved or delegated management authority, the appropriate agencies of the provincial and city, county, autonomous county people's governments shall improve the service training and guidance of the key parks, promote *ex post* oversight, and achieve the combination of delegated power and improved regulation. The administrative agencies of the key industrial parks shall develop meticulous organization, clarify the responsibility, and establish an effective mechanism to undertake the management authority to archive standardized and orderly implementation, and ensure the strict exercise of functions and powers pursuant to law. If it is proved inappropriate to devolve or delegate, the appropriate management authority shall be promptly withdrawn.

VII. This Decision shall come into force as of the issuance date.
